McGEES PROPERTY

WHY CHOOSE **MCGEES PROPERTY**

The team at McGees Property is passionate about the commercial property industry and South Australia. To make the best decision about your investment, you can rely on us for informed, sustainable and pre-emptive advice.

Our Valuations team is one of the most experienced in South Australia and covers a broad range of asset classes including retail, commercial, industrial, residential, hospitality, rural, fuel facilities and development.

We work with clients in the institutional, corporate, finance, private, development and government sectors and provide accurate, timely and reliable advice on the value of a property. Our advice assists you in making informed business decisions relating to:

- Asset reporting
- Mortgage security
- Rental determinations
- Due diligence
- Accounting and superannuation
- Acquisition and disposal
- Insurance assessments
- Rating and taxing
- Easements and partial interests
- Litigation and expert witness

Being locally owned and nationally connected to a network of interstate McGees Property offices, we have the ability to work collaboratively as a team bringing an enviable depth of experience in each local market, whilst benefitting from the broader perspective that comes with a national practice.

This is the McGees difference.

OUR **BEGINNINGS**

McGees Property has been operating in South Australia as a highly respected commercial property firm since 1984, and is still privately owned.

Starting as Matters Harrington, successive mergers and acquisitions led to the formation of a national McGees Property group alliance, which still exists today.
